FORMAS DE ENCONTRAR CONTEÚDO NO PURE

Tipos de conteúdo

- **"Sort by:" Ordenar:** encontrar conteúdos com características específicas (adicionado ou modificado recentemente)

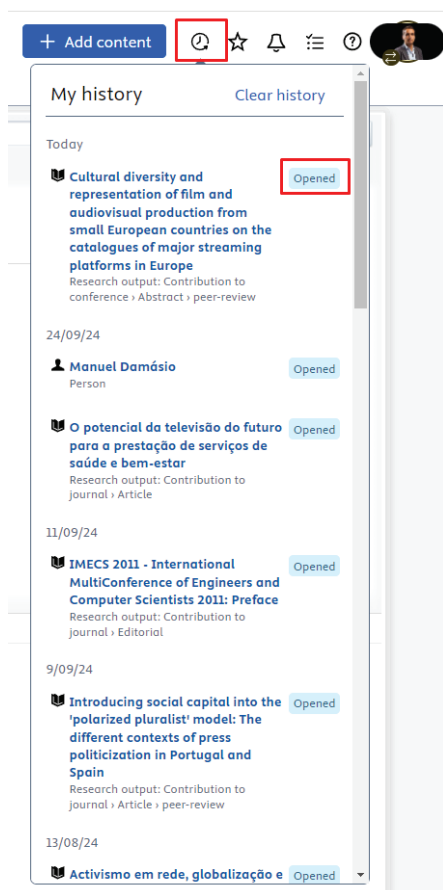

The screenshot shows the Pure interface with a search bar at the top. Below the search bar, there is a list of results. The first result is titled "Moving towards a socially-driven internet architectural design" by Sofia, R., Mendes, P., Damásio, M. J., Henriques, S., Giglietto, F., Giambitto, E. & Bogliolo, A., Jul 2012. A red box highlights the "Sort by:" dropdown menu, which is currently set to "Author last name". The dropdown menu is open, showing a list of sorting options: Author last name, Category, Created date, 1st author, Modified date, Publication date, Year and 1st author, Year, type and 1st author, Year, type and title, Publication year, Title, Type, Type and 1st author, and Type and year. A red arrow points to the "Modified date" option in the dropdown menu.

- **Filtrar:** Isolar conteúdo (artigos ou conteúdo publicado num ano específico)

The screenshot shows the Pure interface with a search bar at the top. Below the search bar, there is a list of results. The first result is titled "saúde e bem-estar via televisão digital: reportagem e debate interativos sobre Diabetes" by & Damásio, M. J., 2012. A red box highlights the "Period" filter in the left sidebar. The "Period" filter is open, showing a list of options: Funding information, Import sources, Incomplete publication status dates, Internal/External authors, Journal associated, Journals, Managing organisational unit, Open Access policy, Open Access status, Organisations, Origin, Peer review, Period, and Person role. A red arrow points to the "Period" option in the sidebar. Below the sidebar, there is a section titled "Period" with three columns: "Publication year", "Content created date", and "Content modified date". The "Publication year" column has options for "All", "Current year (2024)", "Last year (2023)", and "Interval". The "Content created date" column has options for "All", "Past", "Week", and "Custom date range". The "Content modified date" column has options for "All", "Past", "Week", and "Custom date range". At the bottom, there is a section titled "Open Access embargo date" with a "Date" field and a "Is not set" button.
